Thank you for your interest in Peak to Peak Keeshond Rescue. Please be aware that ALL dogs are spayed/neutered, current on shots, tested for heartworm and put on preventative during mosquito season before adoption. All of our dogs are adopted as indoor pets, and we do not place dogs if they will be left outside.

Please understand that we place our dogs in Colorado. We don't transport dogs across the U.S., but we will place dogs in New Mexico, Wyoming and Utah when we have another Rescue person who can be our eyes for us for the home visit. We will never adopt a dog to anyone who has not had the opportunity to meet the dog and vice versa. We do not place dogs as presents, and the person with whom the dog will be living is who has to meet the dog and be the one who signs the contract with us.
